1       On May 31, 2016, upon consideration of the Settlement Agreement, Preliminary Approval  
 2 Motion, and the record, the Court entered an Order Granting Joint Motion for Preliminary Approval of  
 3 Class Action Settlement Agreement; and Certification of Settlement Class (hereinafter referred to as the  
 4 “Preliminary Approval Order”). (See ECF No. 223)

5       On February 14, 2017, the Plaintiff filed his Motion for Final Approval of Settlement  
 6 (hereinafter referred to as the “Final Approval Motion”). (ECF No. 232.) Pursuant to the Final  
 7 Approval Motion, Plaintiff requests final certification of the Settlement Class under Federal Rule of  
 8 Civil Procedure 23(b)(3) and final approval of the proposed class action Settlement.

9       On February 21, 2017, a Final Approval Hearing was held pursuant to Federal Rule of Civil  
 10 Procedure 23 to determine whether the Action satisfies the applicable prerequisites for class action  
 11 treatment and whether the proposed Settlement is fundamentally fair, reasonable, adequate, and in the  
 12 best interests of the Class Members and should be approved by the Court.

13       On March 7, 2017, a status conference was held on the Final Approval Motion.

14       The Court has read and considered the Settlement Agreement, Final Approval Motion and the  
 15 record. All capitalized terms used herein have the meanings defined herein and/or in the Settlement  
 16 Agreement.

17       NOW, THEREFORE, IT IS HEREBY ORDERED:

18       I.       JURISDICTION: The Court has jurisdiction over the subject matter of the Action and  
 19 over all settling parties hereto.

20       II.       SETTLEMENT CLASS MEMBERS: Pursuant to Federal Rule of Civil Procedure  
 21 23(b)(3), the Action is hereby finally certified, for settlement purposes only, as a class action on behalf  
 22 of the following class members:

23       1.       The Class or Settlement Class Members consists of: All natural persons, within  
 24 the United States, who were called by CCCS, on their cellular telephone—excluding calls that  
 25 were initiated by manually dialing via a desktop telephone—between September 20, 2009 and  
 26 September 20, 2013 (the “Class Period”), as a result of having their telephone number listed by a  
 27 customer of DLC Nevada as a “Reference” on a credit application; Settlement Class Members do  
 28 not include recipients of a single telephone call received as a result of a reassigned telephone

number, as defined by the Federal Communications Commission in its TCPA Omnibus Declaratory Ruling and Order No. 15-72 (July 18, 2015).

2. Excluded from the class are Defendants and Released Parties, any parent companies, affiliates, subsidiaries or any employees thereof, and any entities in which any of such companies has a controlling interest; the Judge or Magistrate Judge to whom the Action is assigned and any member of those Judges' immediate families; as well as all persons who validly request exclusion from the Class.

III. CLASS REPRESENTATIVE AND CLASS COUNSEL APPOINTMENT: Pursuant to Federal Rule of Civil Procedure 23, Plaintiff Ronald Grider is the “Class Representative”, and Bailey Kennedy and Haines & Krieger are certified as “Class Counsel”.

IV. NOTICE AND CLAIMS PROCESS: Pursuant to the Court's Preliminary Approval Order, the Claims Administrator has complied with the approved notice process as confirmed in its declaration filed with the Court. The form and method for notifying the Settlement Class Members of the Settlement and its terms and conditions was in conformity with this Court's Preliminary Approval Order and satisfied the requirements of Federal Rule of Civil Procedure 23(c)(2)(B) and due process, and constituted the best notice practicable under the circumstances. The Court finds that the notice process was designed to advise the Settlement Class Members of their rights. Further, the Court finds that Settlement Fund is approved, and the claim process set forth in the Settlement Agreement was followed and that the process was the best practicable procedure under the circumstances.

V. FINAL CLASS CERTIFICATION: The Court finds that the Action satisfies the applicable prerequisites for class action treatment under Federal Rule of Civil Procedure 23, for settlement purposes. The Court finds that the Settlement of the Action, on the terms and conditions set forth in the Settlement Agreement, is in all respects fundamentally fair, reasonable, adequate, and in the best interests of the Settlement Class Members, especially in light of the benefits to the Settlement Class Members, the strength of the Plaintiff's case, the complexity, expense and probable duration of further litigation, the risk and delay inherent in possible appeals, and the risk of collecting any judgment obtained on behalf of the class.

1        VI. SETTLEMENT TERMS: The Settlement Agreement, which has been filed with the  
 2 Court and shall be deemed incorporated herein, and the proposed Settlement is finally approved and  
 3 shall be consummated in accordance with the terms and provisions thereof, except as amended by any  
 4 order issued by this Court. The material terms of the Settlement Agreement include, but are not limited  
 5 to, the following:

 15               owes a debt to CCCS: (i) the Claims Administrator shall withhold \$1,500 for each  
 16               Claimant alleged to owe a debt to CCCS; (ii) CCCS shall make reasonable efforts to  
 17               negotiate with each Claimant—with an initial contact via U.S. Mail in a form approved  
 18               by Class Counsel—in order to avoid the necessity of seeking a judgment against the  
 19               Claimant; (iii) if a Claimant fails to contact CCCS within two weeks of the initial contact  
 20               or if a Claimant and CCCS are unable to negotiate a mutually satisfactory resolution, then  
 21               CCCS shall have until March 1, 2018, to obtain a judgment against such Claimant and  
 22               provide Class Counsel and the Claims Administrator with file-stamped copies of any  
 23               judgments obtained; (iv) if CCCS is unable to provide a file-stamped copies of a  
 24               judgment to Class Counsel and the Claims Administrator by March 1, 2018, then the  
 25               Claims Administrator will issue a check to the Claimant; (v) if CCCS provides a file-  
 26               stamped copy of a judgment to Class Counsel and the Claims Administrator by March 1,  
 27               2018, then CCCS shall reduce its final payment into the Settlement Pool according to the  
 28               amount of debt offset (or, if necessary, the Claims Administrator shall refund to CCCS in

1 the amount of debt offset) and CCCS is to file a partial satisfaction of judgment with the  
2 appropriate tribunal in its actions against the Claimant, which CCCS will provide a file-  
3 stamped copy of same to Class Counsel and the Claims Administrator.

4 2. The Claims Administrator shall pay from the Settlement Fund the total sum of  
5 \$10,000.00 to the Plaintiff Ronald Grider, payable through Class Counsel, as an incentive  
6 payment for bringing and participating in this Action;

7 3. The Claims Administrator shall be paid from the Settlement Fund the sum of  
8 \$124,646.76 for its costs and fees incurred for the cost of notice and claims administration; and

9 4. The Claims Administrator shall pay from the Settlement Fund to Class Counsel  
10 the sum of \$2,640,000.00 as attorneys' fees and costs incurred in litigating this Action, in the  
11 manner specified in the Settlement Agreement.

12 VII. EXCLUSIONS AND OBJECTIONS:

13 1. No exclusions were received by the Claims Administrator.

14 2. The Settlement Class Members were given an opportunity to object to the  
15 Settlement. No Settlement Class Members filed objections.

16 VIII. This Order is binding on all Settlement Class Members.

17 IX. RELEASE OF CLAIMS AND DISMISSAL OF ACTION: The Class Representative,  
18 Settlement Class Members, and their successors and assigns are permanently barred and enjoined from  
19 instituting or prosecuting, either individually or as a class, or in any other capacity, any of the Released  
20 Claims against any of the Released Parties, as set forth in the Settlement Agreement. Pursuant to the  
21 Release contained in the Settlement Agreement, the Released Claims are compromised, discharged, and  
22 dismissed with prejudice by virtue of these proceedings and this Order.

23 X. The Action is hereby dismissed with prejudice in all respects.

24 XI. This Order is not, and shall not be construed as, an admission by Defendant or Released  
25 Parties of any liability or wrongdoing in this or in any other proceeding.

26 XII. Without affecting the finality of this Final Judgment and Order of Dismissal with  
27 Prejudice, the Court hereby retains continuing and exclusive jurisdiction over the Parties and all matters

1 relating to the Action and/or Settlement Agreement, including the administration, interpretation,  
2 construction, effectuation, enforcement, and consummation of the settlement and this order.

3 IT IS SO ORDERED.
